GANANK

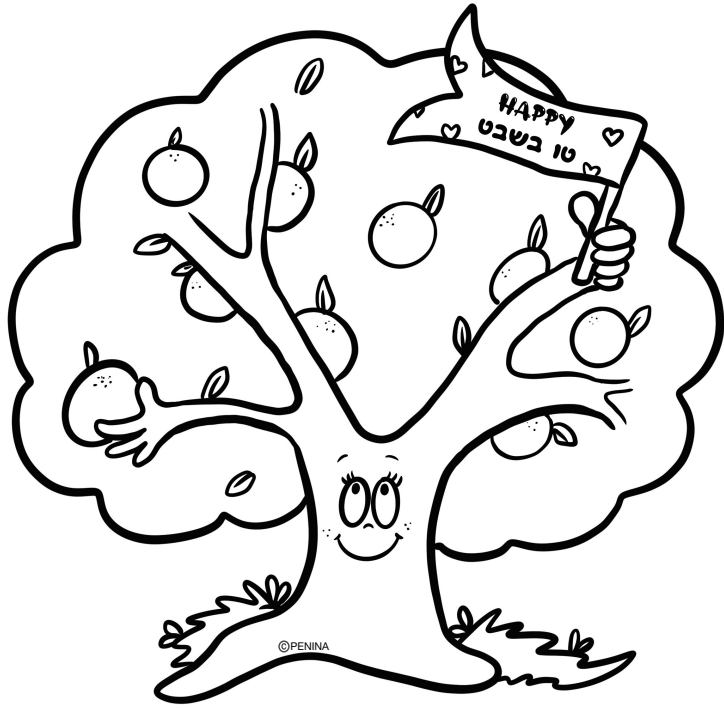

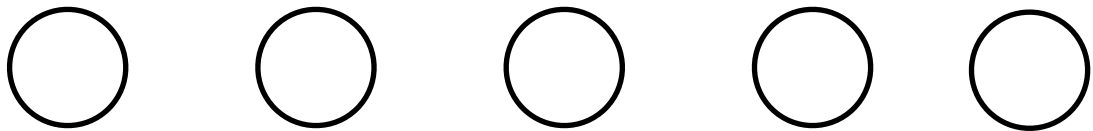

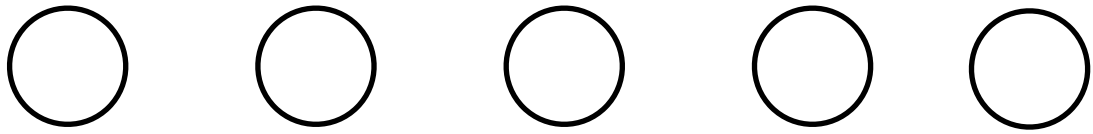

This kit includes many different options

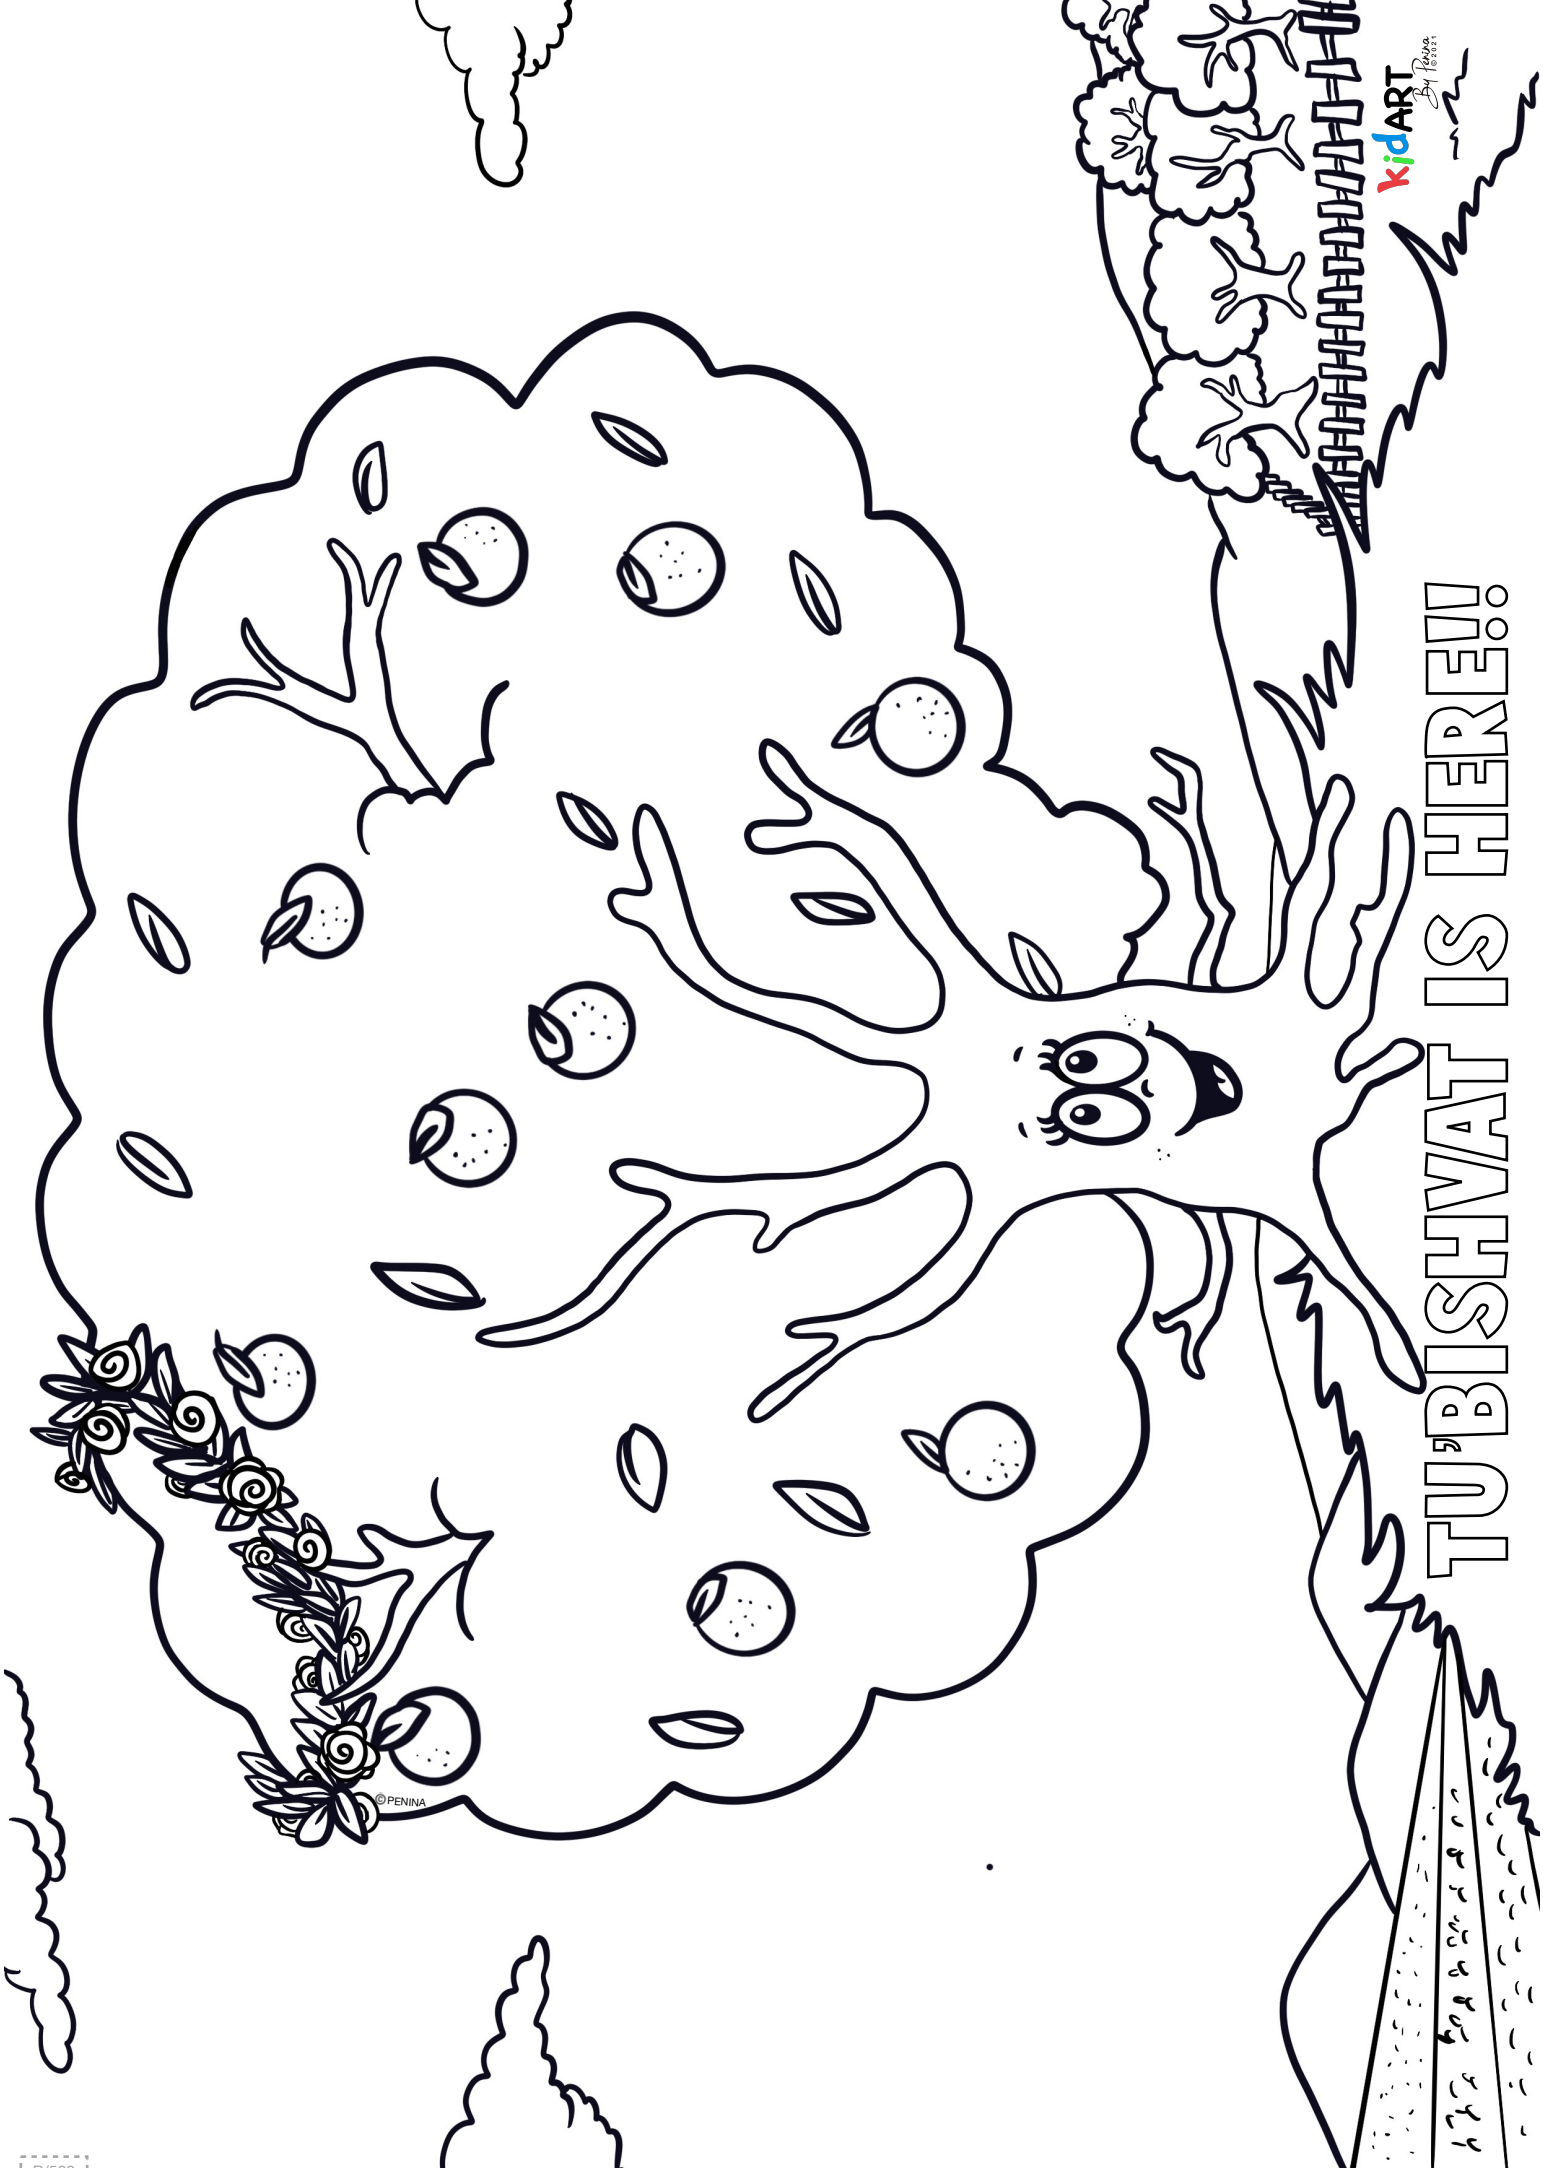

Here are a few ideas

- You could make a page smaller and fit 4 into one A4.
- Adding stickers to a page is lots of fun and keeps the kids extra busy.
- You could laminate pages and make a placemat
- Add your own text by hand or add it in on a computer.
- You could buy fruit stickers and fill up the fruit truck, fruit store and trees with stickers
- You could cut out a picture and stick it on a card.
- Please remember not to give out the pdf file to anyone, thanks.
